The Breakfast Club at Lympne School

Welcome to Breakfast Club at Lympne School which is available to every child attending the school.

The club is open from 7.45am at a cost of £3.00 per child and is managed by our teaching assistants on a rota basis. There is no supervision in the school until 8.30am, so it means that our early risers are well looked after until then. Though it is possible to turn up on the day, we would recommend booking in advance as certain days may be busier than others.

Our breakfast club will adhere strictly to guidelines set out by Kent County Council and Kent NHS. We serve cereals, fruit, and toast with fruit juice or water to drink.

While the children are waiting for their breakfast there are plenty of activities available, or children can complete their homework if they wish!

You can use the club regularly on certain days of the week, or just on an adhoc basis when the need arises – everyone is welcome. If you are interested in booking breakfast club sessions please fill in the form attached.

If you are unsure that your child will like the club, bring them along for a taster session, which you can book through the school office. You'll probably find they love it!

We hope to see you soon at the Breakfast Club.
